

2023 International Conference on Mechanical, Aerospace and Electronic Systems

*November 24-26, 2023
Johannesburg, South Africa*

MAES 2023

2023 International Conference on Mechanical, Aerospace and Electronic Systems (MAES 2023) will take place on **November 24-26, 2023** in **Johannesburg, South Africa**. It is co-sponsored by **University of Johannesburg (South Africa)** and **University of South Africa (South Africa)**.

In addition to providing a major forum for people to present their frontier research work and discuss the latest breakthroughs, MAES 2023 also features keynotes, technical sessions, etc. For those who attend the MAES, you will soon appreciate the fact that MAES is more than just an outstanding technical conference, but also a friendly platform to interact, inspire and discover.

Publication **IOP** Publishing

Submitted papers will be peer-reviewed by technical program committees based on the paper's topic, quality, etc. Accepted and presented papers will be published into **IOP Conference Series: Journal of Physics: Conference Series** (Online ISSN: 1742-6596; Print ISSN: 1742-6588), and will be submitted for **Ei Compindex and Scopus**.

Submission

Welcome to submit full paper or abstract via:

Important Dates

Submission Deadline

20 October, 2023

Notification Date

30 October, 2023

Registration Deadline

5 November, 2023

Topics of interest for submission include, but are not limited to:

1. Mechanical Engineering
2. Aerospace Systems and Technology
3. Aerospace & Electronics Systems
4. Electronics Applications
